**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

It is clear that internet in the US lags far behind other countries that are less wealthy and less technologically advanced than us. Competition between ISP providers will provide much needed increases in internet speeds and prices that will enable the next level of technology and companies to prosper. I STRONGLY SUPPORT BROADBAND COMPETITION.

Ajit Pai is an industry stooge and corporate shill. He should be in jail for selling out the american people.
